UNADVERTISED - SPECIAL DISCS AVAILABLE

The Epilog Set

Your purchase of our Then Came Bronson Premium DVD Set qualifies you to buy our Premium Epilog Set. It is only offered to TCB set owners, and not announced to others. The Epilog Set is a pair of Discs - the digitally remastered Michael Parks albums Long Lonesome Highway and Closing the Gap, released only once on vinyl in 1969 & 1970, here presented in their entirety - all 23 songs - on one premium Verbatim CD. These are the same quality as the songs that play on your DVD's, but here collected in a standalone CD you can play in your car or CD player. The tunes came from mint unplayed vinyl, then were analyzed and filtered through a mixer and computer

software to remove any remaining clicks, pops, hiss, and bias tone, then normalized to the same max volume (short of clipping) by the computer. I include a Jewel Case with graphics, for your Parks CD.

The tunes are, in order,

- | | | |

The 2nd Disc is a Premium Verbatim DVD, formatted to be readable by your computer. It contains my eclectic "favorites" collection of over 1,000 mp3 tunes I have been collecting for years - great for adding to your MP3 player and listen while you ride. With hundreds of artists ranging from ACDC, The Beatles, Buddy Holly, Garth Brooks, The Hollies, to ZZ Top - in my opinion the best of our time. See attached list. Also included is over 760 pics of riding the Rockies, screensaver slideshow software, and Comedy selections - George Carlin, Steven Wright, the Blue Collar guys, etc. There's even hundreds of body paint pics from Key West - but you have to answer the password questions to get in there - easy for a biker, they are bike-related. Gotta keep the kids out; you won't ACCIDENTALLY stumble into nudity. Yep, on the disc graphic (above) that's me in Yellowstone on my Wing with Ta - Tonka running point, and below, my S.O. on her Magna on Teton Park Road, seen in the aerial of Jim Bronson's closing credits ride. Lastly - you get another page divider to insert these discs into your TCB set. ALL FOR \$15 + \$3 for shipping!!!! Call the # below, or you can use paypal.
